CES QUARRY PRODUCTS

CES Quarry Products Ltd is a family-owned aggregates business based in County Down, proudly serving the construction industry since 1948. Founded by Cyril E. Stevenson (CES), the company has grown from its modest beginnings into a modern, dynamic operation built on a legacy of quality, integrity, and hard work.

Today, CES is a leading supplier of crushed stone, concrete blocks, bricks, and ready-mix concrete. We are known for our friendly, reliable service and competitive pricing, and we have built a strong reputation for delivering high-quality products and excellent customer support across every aspect of our business.

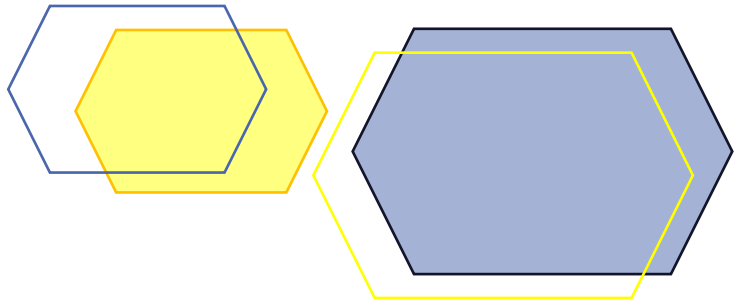

ENVIRONMENTAL POLICY

Through the operation of our Environmental Management System, we are committed to making responsible, best-practice decisions that minimise and wherever possible, eliminate any impact on the environment. We take our duty to protect the local environment seriously and are dedicated to preventing pollution. As a minimum, we comply with all relevant environmental legislation and policy requirements, and we constantly look for ways to go beyond compliance to improve our environmental performance.

CUSTOMER SERVICE

Our customers are at the heart of everything we do. We are committed to meeting both their current and future needs in terms of product quality, availability, supply, and delivery. Every interaction with our team will reflect our dedication to providing a friendly, efficient, and professional service. Across the company, we continually strive to improve the service we offer, ensuring our customers receive the highest level of support and satisfaction at all times.

HEALTH AND SAFETY

CES fully accepts its responsibilities under health and safety legislation to protect the wellbeing of its employees and others who may be affected by its operations. We are committed to providing and maintaining safe and healthy working conditions, equipment, and practices across all areas of our work. In return, we expect all employees to work safely, follow established procedures, and actively contribute to our ongoing efforts to ensure a safe and secure working environment for everyone.

EMPLOYMENT AND ECONOMY

CES Quarry Products Ltd directly employs over 70 people, playing an important role in supporting local jobs and livelihoods. In addition to our core team, we regularly engage local contractors to support the general upkeep and day-to-day operations of the business. Through this network, a wide range of specialist companies and individuals are indirectly employed, contributing positively to the local economy and helping sustain a diverse range of trades and services within the community.
